Upgrade the Way You Work with Brilliantly Dependable Printers

Xerox® C410 Color Printer and Xerox® B410 Printer offer reliability and security in compact sizes.

Simplicity meets benchmark reliability and comprehensive security with the C410 and B410—printers that get the job done. With right-sized functionality, including fast print speeds, high-quality output, and optional Wi-Fi, it's everything you need and nothing you don't.

EASE COMES STANDARD

The C410 Color Printer and B410 Printer are ready to work hard right out of the box without IT support. The Xerox® Easy Assist App provides guided, hassle-free Wi-Fi setup through the convenience of your mobile phone, so you can get on with your day and start printing in minutes, not hours.

Perfect for small to mid-size teams that need dependable printing, these devices are incredibly easy to use, supporting productivity instead of getting in your way. The 4.3-inch touch screen simplifies every interaction and clearly displays the printer's status.

With day-in, day-out reliability, you can trust these devices to work just as hard as you. That translates to one less thing on your mind and off your plate. Without printer worries, you're free to do what you do best.

CONVENIENTLY COMPACT

Time and office space are at the top of your list. That's why these devices are specially designed to help you get more out of both.

Ideal for point-of-need and tight office spaces, the C410 Color Printer and B410 Printer are quiet, lightweight, and have a small footprint. Whether it's under a counter, at a reception area, or on a desk, these right-sized printers fit exactly where you need them to.

MAKE WORK EASIER

Think you need to call IT for maintenance or troubleshooting? Think again.

Advanced tools such as the Xerox® Easy Assist App, Xerox® Print Drivers, and the Xerox® Print and Scan Experience App provide enhanced productivity features and offer a better way to install, use, monitor, and manage your printer.

In addition, the C410 Color Printer and B410 Printer are made for mobile workers like you, with built-in support for Apple® AirPrint®, Mopria, and Wi-Fi Direct.[1]

With the ability to print Microsoft Office files directly from a USB drive, it's even easier to keep work moving.

SUSTAINABLE SAVINGS

Made up of 25% or more post-consumer recycled plastic, the C410 Color Printer and the B410 Printer give new meaning to being environmentally responsible. These devices meet the strictest globally recognized standards for product environmental performance, including EPEAT, Blue Angel, and ENERGY STAR®. The Xerox® Cartridge Collection Program simplifies the collection, reuse, and recycling of spent imaging supplies.[2]

QUALITY THAT CAN'T BE MISSED

The C410 Color Printer elevates your everyday communications with vibrant color that creates a lasting impact. And when black-and-white printing is all you need, the high resolution of the B410 delivers crisp text and sharp lines, so your important documents always look their best.
